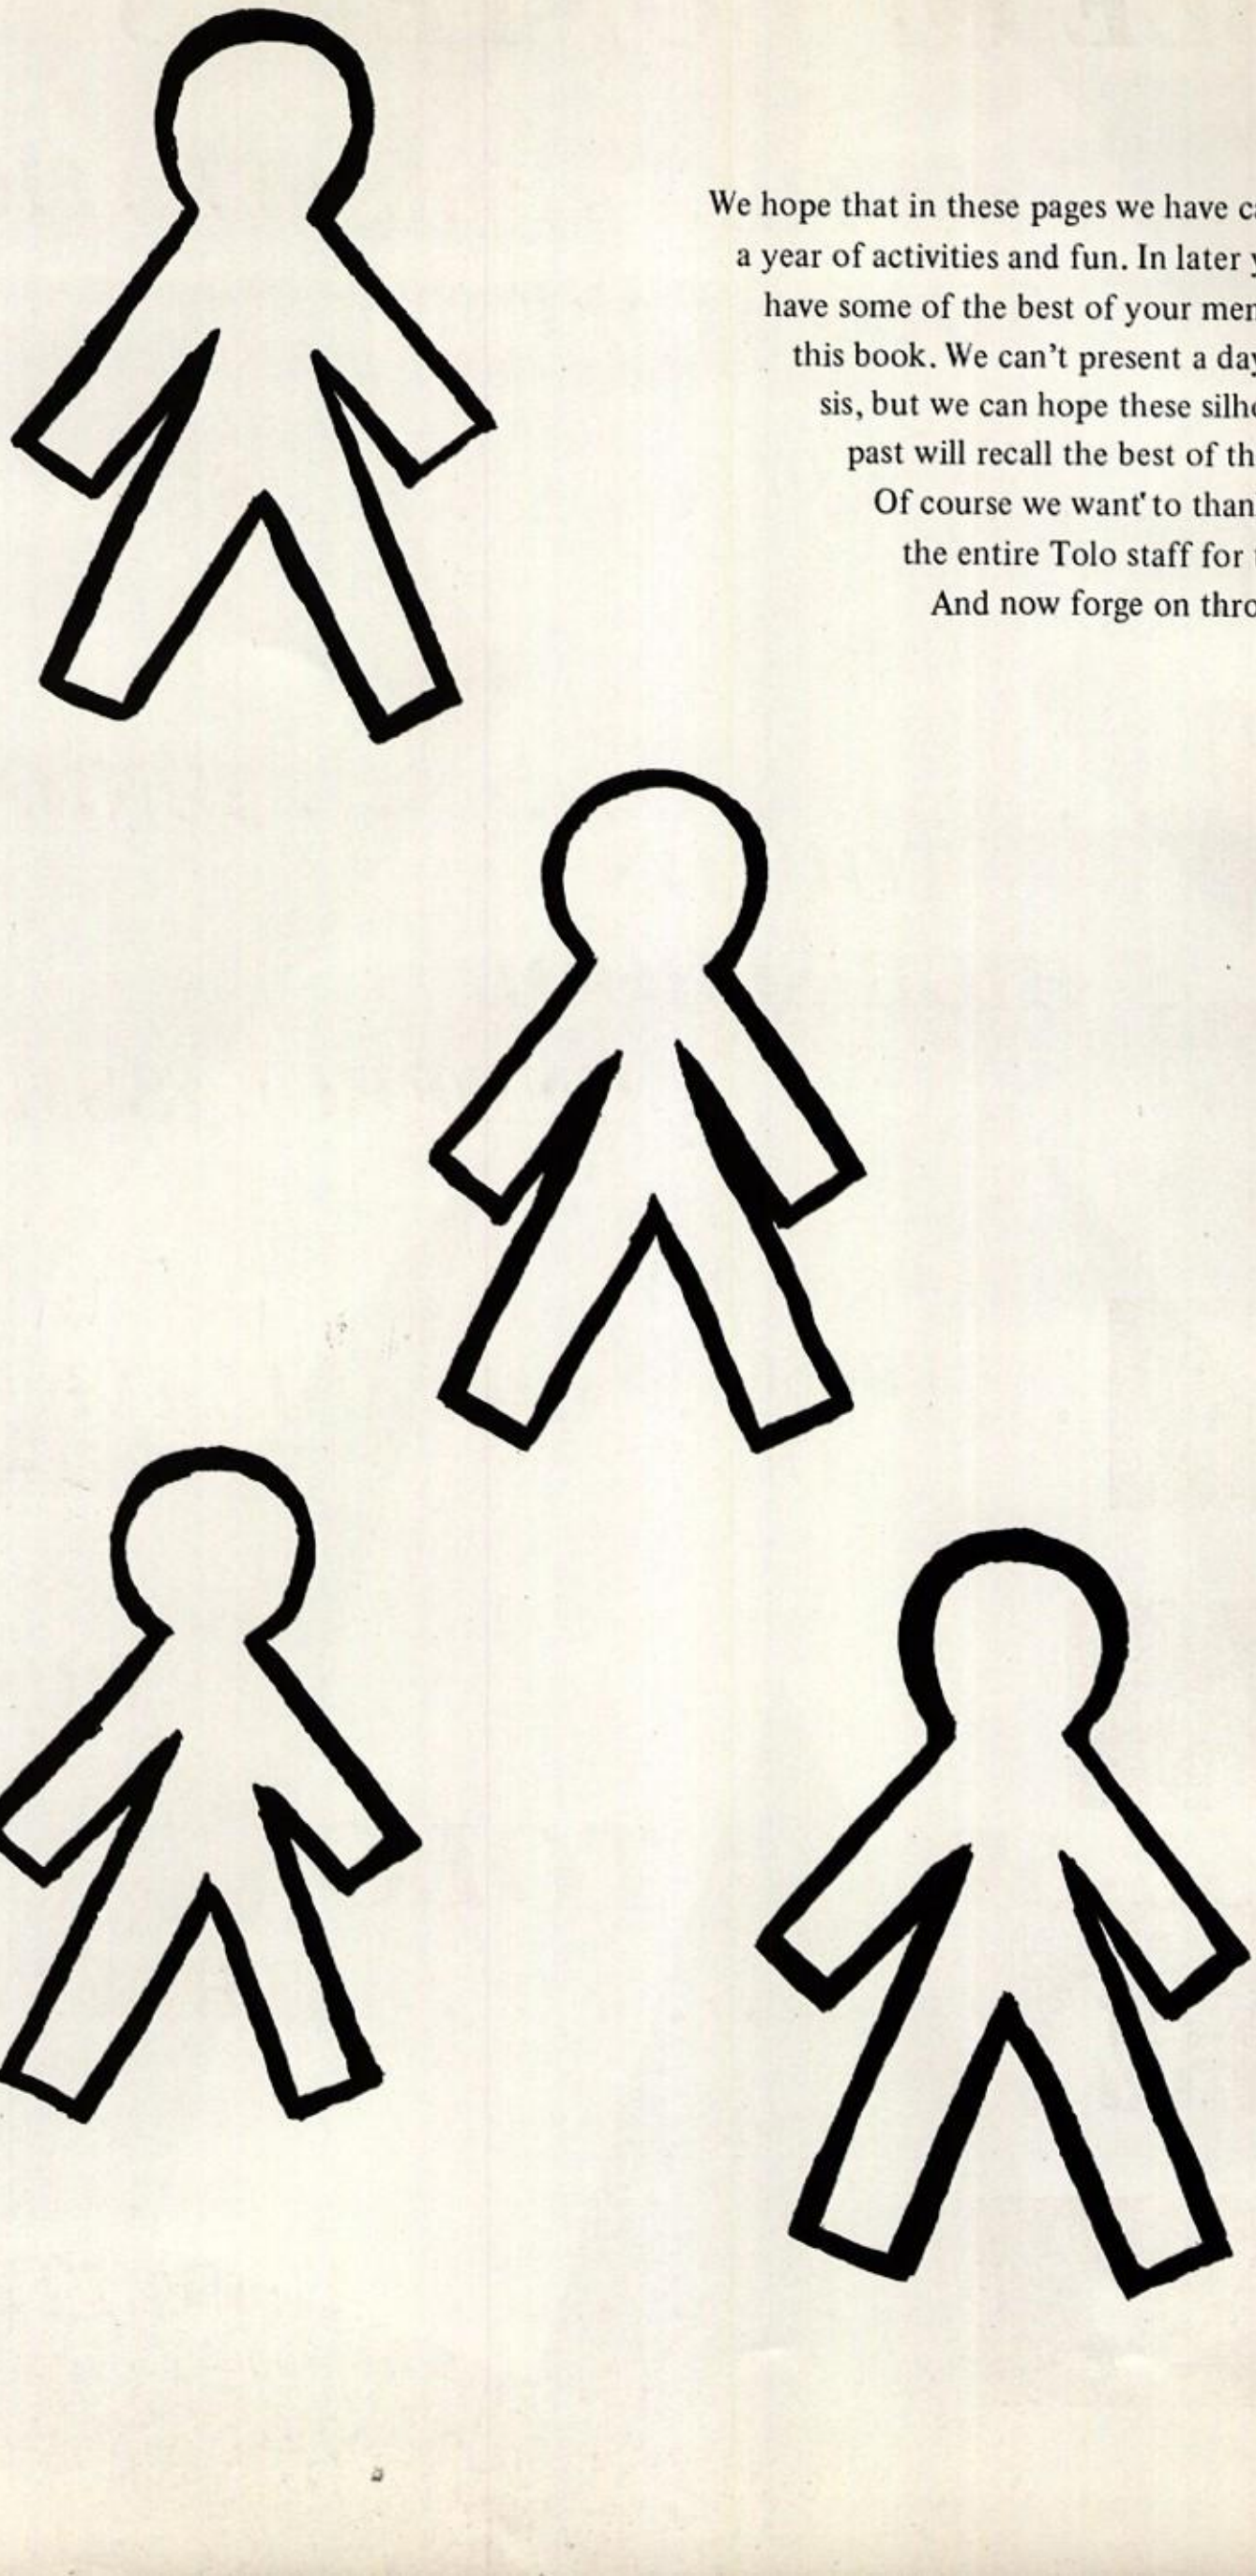
THE TOLO STAFF

OF

TOULON HIGH SCHOOL

PROUDLY PRESENTS THE

68-69 TOLO



We hope that in these pages we have captured for you a year of activities and fun. In later years you will have some of the best of your memories stored in this book. We can't present a day by day analysis, but we can hope these silhouetts of the past will recall the best of those days.

Of course we want to thank Mrs. Kidd and the entire Tolo staff for their efforts.

And now forge on through the past.

Many of the graduates of Toulon High have gone into the Armed Services and some eventually to Vietnam. Risking their health and lives to support the United States, they deserve all the credit they can be given. We heartily support and praise all our own guys and give just as many hurrahs for the other guys from all fifty states. The security of the United States is due to the strength of the Armed Services and the strength of the Armed Services must be due to the support of conscientious citizens. To show our support we hereby dedicate this Tolo to the United States Department of Defense.

This has been a year of new ideas for the Student Council. Our first big undertaking was Homecoming. A lot of hard work was put into the planning and carrying through of the different activities, but it was well worth it. Probably the biggest change in Homecoming was the announcement of the King and Queen on Friday afternoon at the Pep Assembly. This built up a lot of suspense and excitement which made the Homecoming all the more a success.

Other activities carried out through the year were the Christmas program, AFS Week to raise money for next years's AFS Student, and Hope Week to raise money to help the Ship Hope.

Under the helpful guidance of Miss Judith Schlink, the Student Council accomplished things at Toulon High School that could never be measured.

Bob Musselman at the Donkey Basketball game.

FFA

The Toulon Chapter of the Future Farmers of America was very busy this year. Among the activities were a slave sale at the annual Parent-Son banquet. For something a little different, a donkey basketball game was sponsored. This proved to be a tremendous success—everyone had a great time.

The Chapter rented about ten acres of ground behind the bus garage in addition to the plot by the railroad tracks. Other years it was necessary to rely on help from the members and their machinery to do the farming. The additional ground this year made this arrangement impractical, so the Chapter found an opportunity to buy an MMZ tractor with plow, disc, harrow, and cultivator. They already owned a two-row planter. Future plans are for minimum tillage plots, fertilizer, new seed corn varieties, and herbicides.

The Toulon Chapter's President, John Nelson, was also elected District I Director and Section V president, honors of which both the local chapter and Toulon High School are proud.

The G.A.A. has been involved in many activities this year. There were two delegates to Leadership Camp the previous summer. They were Margy Henneberry and Linda Lambert. The G.A.A. girls participated in the Heart Fund drive, had a booth in the Tolo Carnival, and sponsored an All-Sports Night. There was also a swimming party for all of the girls who were involved with the Heart Fund Drive. The major money making activities were the candy machine and the "T" shirt sales. All G.A.A. members are looking forward to another enjoyable year.

LIBRARIANS

The student librarians were "booked" solid this year. The thirty librarians took care of all the readers at THS. Under the direction of Mrs. Perrin, they tried to accommodate the needs of the library. Two librarians were assigned to each study hall. There were also twelve special librarians who checked in the books and filed them. These girls performed a very necessary service.

Mrs. Jane Johnson, Advisor; Mary Pitzer, Assistant Editor, Anne Hepner, Editor.

The Toulonicle for the year of 1969 was under the direction of Mrs. Johnson. Although this was her first year of directing the staff, she was a very good advisor. Her new ideas and inspiration helped the paper become a success. The editor for the year was Anne Hepner, and the assistant editor, Mary Pitzer. All the staff was involved in creating each of the six issues.

There were articles on sports, music, class news, organization news, birthdays, fashion articles, special seasonal features, student and teacher interviews, and the ever popular gossip column, the Dust Pan.

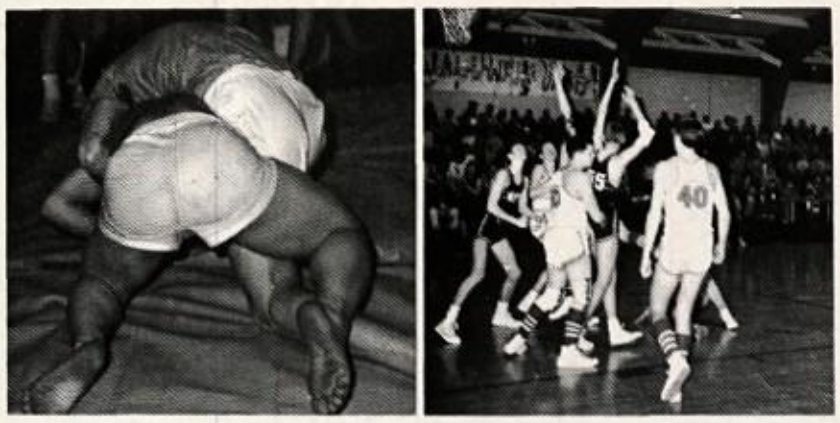
CAMERA CLUB



Samples of the Camera Club's photography.

The 1968-69 Tolo staff was guided by Pat Peabody, editor; Margy Henneberry, business manager, and Mrs. Kidd, advisor. Jane Addis was assistant editor and Gail Bloomberg, assistant business manager.

The magazine sale was held as has been the practice to provide financially for the yearbook. The Tolo Carnival was revived this year as a money-maker. All school organizations cooperated by sponsoring booths. It was successful in that "fun was had by all," but financially—only moderately a success.

Of great help to the Tolo staff was the Camera Club organized this year under the direction of Mr. McNeal. They took and retook many of the pictures in this yearbook. Many hours were spent in the dark room developing film and making enlargements. The Camera Club shows much promise of future success. Special recognition should go to Bob Mahany and Earl Conner who contributed numerous hours of their time during the year for the Tolo. It was the Camera Club that made it possible to have pictures of the many school activities. They also sold pictures to students. During the last few days of school all pictures on hand were sold at nominal fees. The selling of pictures helped pay for the supplies used.

MARCHING TROJANS

This year the Marching Trojans marched through another action-filled year. They went through a variety of different marching maneuvers every home game at half-time. The band should feel proud of the successful performances they gave.

The Marching Trojans participated in the Illinois State University homecoming festivities by marching in their parade again this year. They also received an invitation to present a half-time show at Knox. Everyone felt the show was a great success.

What a year this has been for the chorus! The first activity was the Winter Concert presented on January 25th. It took a lot of hard work, but it was worth it. The next big project was contest. The entire chorus sang at Macomb on March 15 and received a second for their efforts. The solo and ensemble contest was also at Macomb on April 19th. We received one first and quite a few seconds which wasn't too bad. The Blackhawk Festival was held right here in Toulon on April 22nd. We practiced many songs during

these 7 hours and had fun doing it; but the highlight of the festival was át the evening program when the chorus sang "Let There Be Peace on Earth". It was great.

The Musical Comedy, "So This Is Paris" hit the stage on May 15th & 16th. For a while we weren't sure whether we'd make it or not, but it turned out to be a great success!

The last event of the year was Graduation. The chorus presented two numbers which really added to the mood of the evening. They ended a great year with a smash!

TOULON TROJANS

The injury riddled Trojans enjoyed little success on the gridiron in the '68 season. Seldom at full strength Coach Duffy's team posted a lone win over Bradford and a tie at Manlius. The worst break of the season was that of quarterback Jim Cinnamon's broken collarbone. After his departure from the field the offense suffered the last five games of the season. Many of the opponents' crucial points did not come until the second half, but come they did and thus the 1-7-1 record.

Randy Mock repeated as an all-conference defensive lineman. Rex Turnbull and Larry Johnson also gained honorable mention at their respective posts of offensive center and defensive safety. Halfback, Keith Knowles scored five touchdowns from his running slot and gained a place among the conference scorers.

Led by ALL-CONFERENCE center ROD DORMAN, the Toulon Trojan Basketball squad attained its highest peak of success in several years. In contrast to past years, Toulon enjoyed considerable tournament success, winning the ICAC, placing third at Princeville, then smashing to a District title, but to fall to Kewanee in the regional. Posting a final 18 wins and 9 losses record, the Trojans tied for fourth in the Blackhawk with Buda Western and Placed second in their initial year in the ICAC behind quick & powerful Glasford. Positions would have been better in the standings if it hadn't been for three one-point losses in midseason to Manlius, LaFayette, and Dunlap. Following another defeat by Princeville, the team rebounded to an unblemished record the rest of the way. The emergence of Bill Conner and peak play of other individuals such as Jim Cinnamon, Carl Blank, Ken Dutton, and Tim McMillen came at an opportune time as Toulon defeated first and second seeded Western and Neponset to cop the first-place District trophy.

Senior Jim and the returning Carl Blank formed a small but flashy guard pair. Most of the rebounding was by Dorman, Dutton, and Conner. In his three-year varsity career Dorman pulled down over 1,000 rebounds in addition to pumping in over 1,000 points.

BASEBALL

The Toulon baseball team saw mediocre success with 3 wins and 5 losses. Randy Krans was the batting champ with eight hits in twenty times at bat. Keith Knowles and Bill Ebert both had seven hits and averages over .300. Krans also came up with the stolen bases award by pilfering a mere four bags. The last three games included a 16-0 loss to Galesburg and trouncings from Walnut and Manlius. The loss to Galesburg was the first game in the district. The pitching highlight of the season was a three-hit shutout over Bradford by sophomore Bob Collins.

TRACK

The Toulon track season was very successful as they took first in the Stark County and ICAC meets. They placed second in the Blackhawk meet and first in the Frosh-Soph version of this same meet. Much success was due largely to leading point-getters Ken Dutton and Jim Cinnamon. Through the season Dutton and Cinnamon set several records in the high jump and 180 yd. lows respectively. In the Honor Roll track meet, a special meet consisting only of the area's top contestants, Dutton won the high jump, and Cinnamon's 20.5 clocking in the lows was second only to an outstanding effort from Galva's Tarleton. In this meet Rob Finney obtained a second in the long jump also.
